Modesto Area Express – MAX

To Catch a MAX Bus

MAX buses only stop at locations marked with a bus stop sign. Visit www.ModestoAreaExpress.com or call **521-1274** to find out where you can catch the bus in your area or for additional information. When at a marked stop, position yourself near the sign so the driver knows that you want to ride. The driver may not stop for you if it doesn't look like you want to ride. Back away from the curb as the bus approaches to avoid the mirror on the side of the bus. All MAX buses are fully accessible by wheelchair and other mobility aids.
