MODESTO AREA EXPRESS

## MAX Bulky Item Policy: Shopping Bags, Carts, Strollers, and Cargo

*Effective August 1, 2016*

To ensure a safe, secure, comfortable rider experience for everyone, passengers must observe **MAX** limits for bags, carts, strollers, and other allowable bulky items.

Please keep in mind that, in addition to the specific limits listed in this brochure, drivers and/or supervisors will always have the discretionary authority to determine if any item is too big or dangerous to be transported.

# MAX Bulky Item Policy

---

## **Rules for all items:**

- ◆ Riders are limited only to allowable items that can be boarded in a single trip onto the vehicle without assistance from another person. Multiple trips to load bags, carts, strollers, or cargo are not allowed.
- ◆ Passengers must stay with their carts or cargo during the entire trip and hold onto their belongings firmly.
- ◆ The interior area near any door shall always be free of all items including carts, strollers, and cargo, as this area is considered a main emergency exit. Loading items through the rear door of a bus, due to the front being full, is not permitted.
- ◆ The amount of cargo carried with or attached to mobility devices is limited to what the rider can place securely on his/her lap when seated and must not create a scenario where the device exceeds the maximum cart dimensions listed below. Bags and Packages must be removed and placed on the rider's

lap if blocking the aisles and/or if requested by the driver to enable proper securement of mobility device.

- ◆ Riders with carts, strollers, or other cargo should sit in designated "cart/stroller" seating areas when available on vehicles and when space is available.
- ◆ Strollers and empty carts should be properly folded and stored as to not impede the free movement of passengers or the driver in the aisle, doors, or emergency exits and must not present a potential hazard to or danger to riders. If a cart with packages cannot be folded, it must also be stored in a way that meets the same requirements.

## **Quantity and Size Limits**

### Shopping Bags:

Riders are limited to three shopping bags OR one carry-on item not exceeding twenty five pounds that can be reasonably carried on their laps when seated and/or stowed safely under, or in front of, their seats.

### Shopping Carts:

Carts will not be allowed if they:

- ◆ Exceed 30" tall, 18" wide, and 18" deep (not including handle and/or wheels)
- ◆ Cannot easily/quickly negotiate vehicle door entrances and turns for any reason
- ◆ Contain loads that exceed the height and designated capacity of the carrying device
- ◆ Include items that are wet, leaking, or considered hazardous for any reason

### Strollers:

Passengers with strollers must remove the child and collapse the stroller before boarding the vehicle.

It is recommended that parents or guardians of children removed from strollers stay seated with the child in their laps as it may not be safe to be standing.

***MAX drivers/supervisors may determine if any item is too big or dangerous to be transported.***
